

Nguyen Khanh Lan

ROBOTICS LECTURER

Personal Profile

I'm a third-year data analysis student with experience in projects involving data, software, and networks. With a solid academic foundation, eagerness to learn, and a passion for teaching, I'm seeking an opportunity to grow my skills and work toward my goal of becoming a skilled engineer in the next five years. The lectures and exercises I have learned and done at school will be the basis for me to achieve my goal of becoming a good engineer in the next 5 years.
